In addition to club demonstrations and classes, I offer woodturning lessons for individuals or small groups of up to three students at your workshop. To make it more cost-effective, consider finding one or two others to share the expense. Using your shop ensures familiarity with your own tools and equipment.

Prior to scheduling a session, we will review the condition of your workshop, tools, and equipment. If the available setup is not suitable for instruction, it may be necessary to acquire additional tools or equipment, make modifications or find another location.

INDIVIDUAL & SMALL GROUP SESSION DISCOUNTS

Active/Retired military, Veterans, Law Enforcement, AAW and AAW Charter Club members receive 10% off. If at least one qualifying individual is participating in a small group session, the entire session rate is discounted for the group.

PAYMENTS

Payment methods are check, cash or Square Cash invoice. An invoice is available on request and payment is requested upon receipt.
