I provide woodturned items for wholesale to small stores and occasionally participate at craft shows and markets. To discuss purchasing items or participation at a show or market, please contact me.

Sales Taxes & Invoices

Demonstrations and classes in Washington are subject to sales tax which is collected at time of payment. An invoice is available on request and payment is requested upon receipt.

Contact, Scheduling & US Mail

To contact me send a postcard, note or letter via the US Postal Service. My address is PO Box 431, Yacolt, WA 98675. Although this method of initial contact is slower than we have gotten used to, it is still the most reliable.

You may also send a message via the contact page. It's reliability is questionable at best as all are somehow routed to spam, which I do check regularly. Also, the e-mails do not allow me to respond directly, so you must include your contact info (e-mail/phone) in the text of your message if you would like a response.

Travel

Most travel beyond 50 miles from Yacolt, WA incurs travel reimbursement, determined individually or at GSA rates.
